

# Longtown Group Parish Council Neighbourhood Development Plan

## Have you any land suitable for future development?

If you own land in the Longtown Group of Parishes (*Craswall, Llanveynoe, Longtown or Walterstone*), and may be interested in developing it, your Parish Council's Neighbourhood Planning Team would appreciate it if you could complete this short questionnaire

Over the next 20 years, land will be needed for small developments of houses, and possibly for business premises, plots of land for self-build dwellings, public facilities, play areas and parking.

Do you have any land that might be suitable for development? We only need to have some idea of land that **might** become available. We are aware that there are constraints on some land which make it unsuitable for some uses. Any responses we receive will not be binding on either party.

### Completing the Questionnaire - your options

**You can** complete this paper questionnaire and post it to our research consultants at  
Data Orchard CIC Lower House Business Park
